

Curriculum Vitae

Name : Gen Nakamura

Affiliation :

Department of Mathematics, Inha University, Incheon 402-751, Korea
(Professor Emeritus of Hokkaido University, Japan)

Position : Professor

E-mail: nakamuragenn@gmail.com

Education :

Bachelor's Degree : 1971 from International Christian University

Master's Degree: 1974 from the Graduate School of Tokyo Metropolitan University

Doctor of Science Degree : 1977 from the Graduate School of Tokyo Metropolitan University

Professional Appointments :

1977 Assistant of Josai University

1978-1980 Lecturer of Josai University

1980-1991 Assistant Professor of Josai University

(1981-1982 Lecturer of M.I.T.

1982-1983 Japan-U.S. Exchange Fellow

1989 Visiting Scientist of Brown University)

1991-1994 Professor of Josai University

1994-1997 Professor of Science University of Tokyo

1997-2001 Professor of Gunma University

2001-2012 Professor of the Graduate School of Science, Hokkaido University

2012-2013 Specially appointed professor of the Graduate School of Science,
Hokkaido University

2013- Professor of Inha University

2001- Visiting Professor of South East University

2006-2009 Program Officer of Japan Science for the Promotion of Science

2009- Board Member of Mathematical Society of Japan

2011- Expert Committee Member of Research Institute of Mathematical Science, Kyoto University

2011- Committee Member Based on the Fields of Specialities of Science Council of

Japan

Prize:

Autumn Prize of Mathematical Society of Japan, 2000

Prizes for Science and Technology by the Minister of Education, Culture, Sports,
Science and Technology of Japan, 2009

Editor:

Editor of Eurasian Journal of Mathematical and Computer Applications
